SL.	Description
1	My Video Resume Assalamualaikum I'm Fahim Haque welcome to my video resume I'm a student of computer science and engineering at Daffodil International University currently I am continuing my 10th Semester and my current CGPA is 3.91 out of 4.00 in SSC it was 5.00 out of 5.00 and in HSC 4.67 out of 5.00 I have a passion for teaching so I desire to become a good teacher. I have worked as student prefect in my university. I feel very fortunate that I could meet many a great teachers from whom I was inspired to choose this noble profession. My university is equipped with many advanced technologies and I have used these technologies to become good at my work I am multilingual I can speak English Bangla and Hindi quite well Although I have good presentation skills and I'm also a good team player I can follow a leader at the same time I can run in the front leading the team I can work with programming languages C python HTML and SQL I can develop a website and manage database and also develop android apps as well during my three years of study at daffodil I had the opportunity to participate in several academic activities. I have participated in "inter-university robotics competition" as well. And working on research papers at the same time. Machine learning is my favorite site to work on I attend different Machine Learning workshops to increase my knowledge and skills and I am also thinking to work on Machine Learning as my final year project. I liked participating in different competitions I don't like limiting myself to my field I participate in organizing different kinds of social business events and projects which helped me to get in contact with many great personalities I am dedicated to both my social and my technical background I like dedicating myself and I'm proud that teaching is my passion and I want to become an extraordinary teacher in my career thank you very much for watching my video resume Allah Hafiz
